

**The Third International Symposium on
Arid Climate Change and Sustainable Development
(ISACS-3)**

September 8-10, 2010, Lanzhou, Gansu, P. R. China

(Second Circular)

The Third International Symposium on Arid Climate Change and Sustainable Development (ISACS-3) is to be held in Lanzhou, China, September 8—10, 2010.

Sponsors

China Meteorological Administration (CMA)
Gansu Provincial Government, P. R. China
National Natural Science Foundation of China (NSFC)

Co-Sponsors

World Meteorological Organization (WMO)
Gansu Association for Science and Technology, China
National Drought Mitigation Center (NDMC), USA
University of Utah, USA
Bureau of Meteorology Research Centre (BMRC), Australia
Peking University, China
Asia Pacific Economic Cooperation Climate Center (APCC), Korea
Institute of Soil, Water and Environmental Sciences, Israel
Beijing Huafeng Group of Meteorological Audio and Video Information

Organizers

Gansu Provincial Meteorological Bureau (GMB), China

Gansu Meteorological Society (GMS), China
Lanzhou University
Cold and Arid Region Environment and Engineering Research Institute (CAREERI), CAS
Arid Meteorology Branch, Chinese Meteorological Society
Key Laboratory of Arid Climate Change and Disaster Reduction, CMA
Key Laboratory of Arid Climate Change and Disaster Reduction of Gansu

Symposium Objectives

Arid Climate Change and Sustainable Development

Symposium Themes

- Impacts of climate change on ecological environment and social development in arid regions
- Technology of arid climate monitoring and assessment
- Prediction and diagnostic analysis of arid climate
- Characteristics and modeling of land surface processes in arid regions
- Impacts of sand-dust aerosol on weather and climate
- Rational utilization of climate and water resources in arid regions

Organizing Committee

Chairman:

Wang Shourong, Deputy Administrator of CMA

Vice-chairman:

Zhang Shuyu, Director General of GMB

Shi Weidong, Deputy Secretary-General of Gansu Provincial Government

Members:

Chao Qingchen, Deputy Director-General of Department of Science & Technology and Climate Change, CMA

Huang Jianping, Dean of Atmospheric Sciences College, Lanzhou University

Guo Chunwang, Section Chief of Farming and Forest Office of Gansu Province Government

Li Mingmei, Deputy Director-General of Department of International Cooperation, CMA

Lu Shihua, Secretary of CAREERI, CAS

Luo Yunfeng, Deputy Director-General of Department of Science & Technology and Climate Change, CMA

R. Stefanski, Scientific Officer of WMO

Wang Caifang, Senior Adviser, WMO Regional Training Centre, Nanjing

Wang Chunyi, Secretary General of Chinese Meteorological Society

Yu Jixin, Director-General of Department of International Cooperation, CMA

Zhang Chaolin, Director of Earth Scientific Division, NSFC

Zhang Qiang, Deputy Director-General of GMB

Scientific Committee

Chairman:

Ding Yihui Academician, National Climate Center, CMA

Vice-Chairman:

Xu Xiangde Academician, Chinese Academy of Meteorological Sciences, CMA

Members:

Bai Huzhi Prof., Lanzhou Institute of Arid Meteorology, CMA

Charles P.-A. Bourque Prof., Faculty of Forestry & Environmental Management, Canada

Chen Xiaoguang Prof., Qinghai Provincial Meteorological Bureau

Yehezkel Cohen Prof., Institute of Soil, Water and Environmental Sciences, Israel

Conway Declan Dr., University of East Anglia, UK

Qiang Fu Prof., University of Washington, USA

Gong Daoyi Prof., Beijing Normal University

Pavel Groisman Dr., National Climatic Data Center, USA

Michael J Hayes Dr., National Drought Mitigation Center, USA

Hu Zeyong Prof., CAREERI, CAS

Feifei Jin Prof., University of Hawaii, USA

Li Weijing Prof., National Climate Center, CMA

Li Yaohui Prof., Lanzhou Institute of Arid Meteorology, CMA

Luo Yong Prof., National Climate Center, CMA

Ma Yaoming Prof., Institute of Tibetan Plateau Research, CAS

Ma Zhuguo Prof., Institute of Atmospheric Physics, CAS

M. Manton Dr., Monash University, Australia

Niu Shengjie Prof., Nanjing University of Information Science & Technology

Pan Xuebiao Prof., China Agricultural University

Soo-Yang Joo Prof., Asia Pacific Economic Cooperation Climate Center, Korea

Zhaoxia Pu Prof., University of Utah, USA

R. Stefanski, Dr., World Meteorological Organization

Sun Jianning Prof., Nanjing University

Tian Wenshou Prof., Lanzhou University

Wang Naiang Prof., Lanzhou University

Wang Shigong Prof., Lanzhou University

Wen Jun Prof., CAREERI, CAS

Paul H. Whitfield Dr., MSC, Environment, Canada

X. Zeng Prof., Arizona University, USA

Zhang Qiang Prof., Gansu Provincial Meteorological Bureau

Zhang Cunjie Prof., Northwest Regional Climate Center

Zhang Hongsheng Prof., Peking University

Huqiang Zhang Dr., Bureau of Meteorology Research Centre, Australia

Symposium Language

English

Symposium Agenda

September 8: Check in.

September 9—10: Academic communication (oral presentations and posters, etc).

There will be a field trip at your own expense from 11th September.

Symposium registration fee

If you register before 20th July, registration fee is US \$ 300 a person for participant, US

\$ 150 a person for student and accompanying. Otherwise it would cost additional US \$ 200 per person.

Payment ways will be presented on the symposium homepage.

For general participants and students the registration fee includes:

- Admission to all sessions and symposium posters.
- Coffee breaks and meals during the meetings.
- Symposium proceeding and other documents.

Call for Papers

Upcoming symposium will print a proceeding. The journal of *Advances in Earth Science* will devote a special edition for selected papers at author's own page expense.

Please submit paper abstracts and full texts by using the online registration system.

Deadline for submitting abstract : June 20, 2010

Symposium Homepage

For more information and registration, please logging in :

<http://www.gsma.gov.cn/isacs-3/index.asp>

From there, go to registration system directly.

And all information about the symposium can be found on it.

Contact Persons

Ms. Guo Hui Ms. Shi Zhijuan Mr. Xi Lizong

Tel: 86-931-4670216-2463

Fax : 86-931-4670532

E-mail: ISACS03@gmail.com ISACS-3@live.cn

We are looking forward to seeing you!
